

Roadmap to Resilience

Protect your People. Preserve Your Operations. Serve Your Community.

In today's unpredictable world, resilience is the competitive advantage.

Inspired by the gold standard, our Emergency Management & Business Continuity Plan helps organizations and franchise-based brands prepare, respond and lead in times of crisis.

What We Offer

Risk & Impact Analysis – Identify vulnerabilities and prioritize recovery

Emergency Response Plans – Clear protocols for disasters and disruptions

Continuity of Operations – Backup systems, alternate sites, cross-trained teams

Employee & Community Support – Relief funds and mobile crisis units

Training & Simulation – Drills, tabletop exercises, and scenario planning

Gold Standard Practices

- Mobile Crisis Units
- Immediate Response Fund
- Cross-Functional Crisis Teams
- Public-Private Partnerships
- Brand-Integrated Resilience
- Incident Management System

Customers Remember Who Showed Up

Real-time coordination

Faster response, better collaboration, and stronger resilience.

WITT

AG Witt, LLC is a premier consulting firm specializing in emergency management, business continuity, and organizational resilience. With decades of combined experience in crisis management, disaster response, and strategic planning, our team brings proven expertise to help organizations navigate uncertainty and emerge stronger.

Our Expertise

Emergency Management Leadership

Our consultants have led emergency response efforts across multiple industries, from natural disasters to operational disruptions, bringing real-world experience to every engagement.

Business Continuity Strategy

We develop comprehensive continuity plans that protect operations, employees, and communities while maintaining business objectives during crisis situations.

Organizational Resilience

Beyond crisis response, we help organizations build adaptive capacity and resilience culture that creates competitive advantage in an unpredictable world.

Our Approach

Proven Methodologies

We utilize gold standard frameworks adapted to your unique organizational needs, industry requirements, and operational context.

Collaborative Partnership

Working closely with leadership teams, we ensure solutions are practical, sustainable, and aligned with your organizational culture and values.

Continuous Support

From initial assessment through implementation and ongoing improvement, we provide the expertise and resources needed for long-term success.
